## **TRAFFIC ADVISORY PERMANENT CLOSURE OF FOUR AT-GRADE INTERSECTIONS ON NORTHBOUND STATE ROUTE 99 IN ATWATER**

**Atwater** - The California Department of Transportation (Caltrans) will permanently close the northbound State Route 99 (SR-99) at-grade intersections at Cressey Road, Stein Road, Central Avenue and Grove Avenue on Monday, May 5, 2008. The access to SR-99 will no longer be available for use to the traveling public.

Motorists can access Cressey Way, Stein Road, Central Avenue and Grove Avenue by taking the Liberty Avenue/Sultana Drive exit and driving eastbound on Liberty Avenue.

This closure is part of the \$43 million SR-99 Atwater Freeway Project. This project will convert 2.7 miles of SR-99 from a four-lane expressway to a six-lane freeway.

The project will improve safety, reduce traffic congestion and delays.
